

Peer Exchange Workshop Information

Connection Details

- The expectation is that everyone will connect via MS Teams on his or her own laptop or computer.

Preparation Details

- Each country will designate a presenter.
- The presenter will have 3-5 minutes to share a short story that captures your experience since module 2.
- Our event management company KIT will reach out to the presenters to ensure they can connect to the online platform.

Peer Exchange Workshop Agenda

SESSION	DETAILS
Listening practice	- Violin piece shared with participants
Check in	- Participants share through chat how they come to the session - Words of welcome from the facilitation team - Explanation of technology we are using
Country stories and consolidated presentation	- Country focal points share the collective action story - Consolidated presentation of results based on country analysis
Peer exchange on our lessons learned and the journey towards resilience	- Facilitated discussion on leadership in unpredictable times - Discussion on how to advance our Collective Action Initiatives
Closing circle	- Facilitator shares a closing poem and then everyone reads the poem out loud
